SSLC (SECONDARY SCHOOL LEAVING CERTIFICATE) Goverment Higher Secondary School	64% | 2018

TECHNICAL SKILLS

UI UX DESIGNTOOLS :	Figma , Adobe Xd , Framer
FRONTEND DEVELOPMENT :	Javascript , HTML , CSS
LANGUAGES :	C , C++
OTHERS :	Webflow , Spline

EXPERIENCE

UI UX WORKSHOP	2 weeks workshop at growthschool
	I've acquired knowledge in design thinking methodologies and design principles, particularly focused on enhancing my skills in UI design.

PROJECT

THE CHEAPEST AUCTION CART	• Led a 3-member team in the development of 'The Cheapest Auction,' an E-commerce website. • Emphasized seamless coordination and prioritized user-centric features throughout the development lifecycle.
PERSONAL PORTFOLIO	• Led creation of dynamic portfolio, showcasing web dev and visual art skills. • Prioritized UX, ensuring engaging design and content.
SUPER FOOTWEAR	• Developed a responsive website for footwear, focusing on improved user interface and user experience design. • Implemented responsive design principles to ensure optimal viewing and interaction across various devices.
CASE STUDY	• Bike Rental Website: Demonstrated user-friendly UI/UX through a concise case study, emphasizing intuitive design and increased user engagement. • Cipher Guard VPN Application: Illustrated efficient and user-friendly UI/UX with a detailed case study, highlighting seamless interactions and robust security features.
MORE DESIGN	• Glassmorphism design, dashboard design and yoga website design.

CERTIFICATION

• UI | UX certificate by IBM
• CSS certificate by Hackerrank
