Certificate

SUMMARY

Enthusiastic and creative aspiring UI/UX designer eager to embrace emerging technologies and contribute innovative solutions. With a strong foundation in user-centered design principles, usability testing, and hands-on experience in wireframing and prototyping tools, I am driven to make a meaningful impact in my future projects and collaborations.

EXPERIENCE

UI UX INTERNSHIP

Euroland IR Dec-2024 TO Jan-2025

- Designed user flows to enhance navigation and improve user experience.
- Developed wireframes and prototypes for Next Design.
- Gathered and analyzed requirements to align designs with user needs.
- Conducted usability testing and implemented feedback-driven improvements..

UI UX INTERNSHIP

Nexus.io May-2024 TO June-2024

Completed a one-month internship at Nexus.io, concentrating on design thinking methodologies and refining UI design skills.

UI UX WORKSHOP

- 2 weeks workshop at growthschool Participated in a 2-week UI/UX Workshop at GrowthSchool, focusing on design thinking methodologies and enhancing UI design skills.

PROJECT

- Titan website Redesign
Improved the user experience and modernized the design of the Ritan Watch website.
- Wheeel Rent case study
Conducted a case study on Wheele Rent to enhance its user experience and rental process efficiency.
- Cipher VPN case study
Analyzed and improved the user experience of Cipher VPN to enhance usability and security.
